

## Steve's Mama...

**Faith & Steve Fowler**

Dear Strong Tower Radio;

We cannot express how much Strong Tower Radio has meant to us, and to Steve's Mama. Ever since you powered up 90.7FM WBHL in Gladwin, and we found a radio that would receive the signal, Steve's Mama has listened to it non-stop, day and night in the nursing home. Strong Tower Radio was her comfort and peace, and we will be grateful throughout eternity for the peace your station brought to her in the last two years of her life. I am convinced that if not for Strong Tower Radio, she might have died a bitter woman, suffering as she was. But, you spoke truth when she needed it the most. The times we could not be there for her, you were always there.

God bless Strong Tower Radio. It is a lifeline, not to save for now, but for eternity, those who need to hear the truth! Thank you, to all who work so hard to reach the lost through this beautiful ministry. Steve's Mama was listening to Strong Tower Radio when she died, and it was a comfort to me to hear the beautiful songs playing that morning at 11:20 am. This was just what I needed as I watched her fall asleep in Jesus!

Blessings!

**Faith & Steve Fowler**

## Stars in Your Crown ...

Our camp meeting theme this year was totally mission driven preparing listeners for God's kingdom. The inspiration came from "Souls are perishing all around us, and what are you doing, my young friends, to win souls to Christ?" (Youth Instructor 01/01/1907)

The camp meeting booth banner headline, 'Stars in your Crown', was derived from "Inspire them with ambition to gain stars for their crown by winning many souls from sin to righteousness" (T6 451). Strong Tower Radio is God's ministry to bring people to Him. You, through your prayers and financial support are bring them to Christ, hence these crown stars are attributed to you.

## Irreplaceable Sandy...

*Sandy Cole*

Sandy Cole is our Executive Assistant and handles the duties surrounding the front desk, including answering the phone. Sandy always tells us that she gets the biggest blessing from just answering the phones.

Recently she met Don from Findley, Ohio. He was traveling through the Baldwin area to attend a funeral, was channel surfing, and came across Strong Tower Radio.

Don had just listened to a sermon by John Lomacang and was so impressed he wanted a CD to share with his friends so he called our toll-free number. While getting the necessary information from Don to send him the CD, Sandy struck up quite a conversation, one that ended with Don and her stating they hoped to meet and be neighbors in Heaven. Wouldn't that be a wonderful sight. Living on Glory Street in New Jerusalem together! Praise God for volunteers like Sandy!

## Exceeding Expectations...

*Wes Peppers Interviewing a Number of STR Listeners*

We have such small expectations. God surprised us mightily during Camp Meeting this year with a variety of testimonies! Much to our surprise and joy the first evening of camp meeting, Don Mead, a Lansing Strong Tower Radio listener shared how our ministry led to his baptism. Wednesday night Houghton Lake listener Carol Cowell testified, and she invited Bill, another listener who is preparing for baptism, to join her. His testimony held the congregation spellbound, as he told us that he requested baptism at this camp meeting! Following this, Michigan Conference President Jim Micheff surprised and affirmed us by saying, "Contributing to Strong Tower Radio supports evangelism in Michigan." I couldn't believe the ringing endorsement! The Friday night segment came as a total surprise when unscheduled Grand Rapids listener Peter James was chosen to be interviewed. What a testimony!

The camp meeting 'Soul-Winning Hour' is a camp meeting highlight that everyone looks forward to each year. The staff arranged for Mike and Kathleen Kamptner to give their testimonies. Everyone rejoiced loudly! This was preceded by James Philo, a STR full-time volunteer, who was baptized recently and gave his testimony.

Back in the exhibit tent we talked to scores of people asking for STR to come to their area. The Keene family shared for the first time how listening to STR helped bring them back to church. One thousand camp meeting 'Stars in Your Crown' banner stories were giving to booth visitors and hundreds of STR bookmarks and 'Proud Supporter' decals were giving out also.

## From the Mailbag ...

I listen to Strong Tower Radio every day. I get educated about the Bible, have learned to study scripture and to look for meaning in every verse.

I wish I had the calling as a younger man to be so thirsty for the word of God. I am now almost 70 years old. May God bless each and every one of you at STR.

Dwight from Harrison, MI***

I love Strong Tower Radio and am so blessed by your ministry. I ask God every day to bless this ministry and all those ears who listen to it,

***Pat from Sparta, MI***

I put my radio out in the garden and play Strong Tower Radio to keep the deer and critters away! (From the editor... VERY FUNNY!)

***Rosie from Parts Unknown***

I would like to thank you for all the great programming you provide. I have been listening to Strong Tower Radio for a few months now and enjoy everything you do. God bless you and keep up the great work you're doing.

***Frank from Lansing, MI***

PRAISE THE LORD for this Wonderful Ministry. I was happy to receive the current newsletter which is a wonderful way to keep us informed of the miracles the Lord is performing thru the Strong Tower Radio signals. I was thrilled by the story of the Mail Carrier, then I looked at the following page, and was saddened by the news of the financial shortfall. Since I had already sent my donation for the month, I figured the Lord really needed an extra donation, so I sent another envelope with additional funds.

## Mobile Studio at Camp...

***Tom & Jilane Interviewing Doug Batchelor & Jean Ross***

2018 Cedar Lake, Michigan campmeeting was unbelievable!! The speakers were amazing, Pastors Ron Kelly, Mark Howard, John Lomacang of 3ABN, & Doug Batchelor of Amazing Facts & Bible Answers Live (our # 1 program listeners love), plus many seminars too. Chef Mark Anthony did one hour demonstrations on quick, easy vegan recipes, cooking & food tips. We even tasted samples. I'm so glad I attended his seminars!

Strong Tower Radio (STR) had a mobile studio set up & we were busy, busy, busy! We even interviewed Doug Batchelor & Jean Ross of Bible Answers Live & "loaned" our studio to Angie Lomacang from the 3ABN Crossroads program, where she was able to do five interviews!!

I love going to campmeetings. What wonderful spiritual retreats, especially the testimonies of people coming to know Jesus & Bible truth! I was very surprised to hear the testimony of Peter James, a listener & supporter of STR from Grand Rapids. We had no idea he was attending his first campmeeting! Why don't you plan to come next year? I believe you will be truly blessed!!

***Jilane Fenner***
