### Christian Education Teaches Freedom By Judy L. Shull

Over two hundred years ago, early European settlers came to this new land, and fought to create a new nation based on self-government. But what is true freedom? What are we teaching our children about being free? Today, some politicians claim that true freedom is getting free healthcare, free education, free food, and free etc.

Christ-centered education puts Christ back in the classroom. Christian teachers model it. Christian morals are fundamental to all subjects in the curriculum. In Christ-centered education, children are no longer left to wonder how to make life decisions. They have a moral compass to guide them.

True freedom must be taught. Sadly, over the last few decades, Christ has been forcibly removed from public school classrooms. Now our children are left on their own to decide for themselves what course their life will take.

The teaching of God's Ten Commandments, given to Moses thousands of years ago, are not rules to take away our freedom. They are rules that lead to happiness and true freedom. We are free to make choices, but by staying within these boundaries, we will have peace and happiness.

In the book, Fundamentals of Christian Education p. 88 by Ellen White, she writes, "True liberty and independence are found in the service of God. His service will place upon you no restriction that will not increase your happiness. In complying with His requirements, you will find a peace, contentment, and enjoyment that you can never have in the path of wild license and sin. Then study well the nature of the liberty you desire. Is it the liberty of the sons of God, to be free in Christ Jesus? Or do you call the selfish indulgence of base passions freedom? Such liberty carries with it the heaviest remorse; it is the cruelest bondage."

It is through Christ-centered education that we learn what is true freedom.

## From the President...

We recently celebrated the 4th of July and how the hand of Providence guided when the Declaration of Independence was signed. Scholars note that not all of the signers were present on July 4th. John Adams even predicted July 2nd would be celebrated. But on the 4th, we rest from our labors and remember our heritage.

We are grateful for the sacrifices others have made to make the United States such a great nation. In the scriptures, the Fourth Commandment reminds us to remember the 7th day of the week, the day our Creator rested. God wants everyone to know that He sacrificed ALL for them in His Son and that we can rest in Him on His special day each week!

Late one night many years ago, I was tinkering with my, then new, Tandy 1000 desktop computer and was watching/listening to a music video program on TV. The announcer said the next video had something special in it and to pay close attention because a question would be asked at the end of the video. A nice 4x4 pickup was shown and a thought came to mind, "note the license plate number." I did, but I didn't write it down. At the end of the video, the announcer asked for the license plate number to win the truck. I couldn't remember the number!

The goal of Strong Tower Radio is to purchase a station and proclaim the Third Angels' Message of a soon coming Savior. Many times we have had to move quickly to purchase one of your 12 radio stations. But like that nice pickup truck, there's insurance, maintenance and other bills that have to be paid.

Our monthly operating costs are around \$40,000.00, but sometimes we only get half of that. We have a beautiful fleet of stations! Please help us keep them going and growing. Become a Monthly Covenant Partner proclaiming the Third Angels' Message to Michigan and beyond. We appreciate and want to thank you for your prayers and financial support of STR.

## STR Changed Lives

In 2016 I began long commutes each day. I had been seeking God and praying that He would reveal more of Himself to me. I felt that the Christian radio stations sounded more like secular stations. I asked God, "Please teach me what I am missing." So I was intrigued by Strong Tower Radio (STR) and found that I listened to it every day.

The programming made more sense of God's word than anything I had ever been taught! I was finally making connections that greatly strengthened my faith. I am fully convinced that truth is being proclaimed, and God's character is revealed. I am grateful for the obedience to God that so many have exercised so that I could hear God's voice clearly explained through His word.

## Pastor's Perspective

### By Beholding We Become Changed ...

I remember the first time I heard of Strong Tower Radio, we were living in Alpena. George Corliss told us they were trying to purchase a station near Mio and were looking to raise money. My wife & I got very excited; we were discouraged with the local Christian stations and had stopped listening. Unfortunately the purchase wasn't finalized until after we moved to Monroe and Tecumseh to begin pastoring. That area didn't have a station, so we were still without spiritual programming, but Detroit is now raising money to purchase a station!

The last 2 years we have been pastoring Midland and Mt Pleasant churches, so we have been blessed to receive Strong Tower Radio. We can't begin to tell you what a blessing it has been to hear Godly music, uplifting programs that are Biblically based, children's programs, and local Michigan pastors preaching the word.

As a pastor, I am even more grateful knowing listener's lives are being changed! I had the privilege of baptizing one such listener, Tricia Hall. I want to encourage everyone to give generously to Strong Tower Radio and especially the Detroit station purchase. This area has the greatest number of residents and can have a big impact for God! STR is a ministry tool that is a blessing and I, for one, am beholden.

# Camp Meeting Highlights

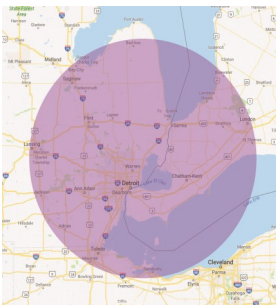

We met hundreds of listeners, honored fathers on Father's Day, and recorded programs with Pastors Batchelor and Bradshaw: back to school, disaster relief, missionary stories, Bible memorization and many more programs.

We witnessed an STR listener's baptism and presented the unparalleled opportunity for a Detroit radio station!! We also trained volunteers to help edit, screen, record, and produce new programs. During this spiritual retreat, God blessed us greatly!

## Monthly Needs

Our monthly operating cost is about a penny per person which is really economical, but we need that penny. No penny, no Strong Tower Radio!! The total cost is \$40,000 per month for all of the stations to broadcast to 5 million people. It is the cost of doing God's business. Won't you give to provide the Three Angels' Message not shared by other stations.

## Special Needs

Some people like to give to keep STR on the air, which covers tower rents, electric costs and general operations. Others like to give to specific needs/projects such as replacing equipment, buying a new station or a furnace for the broadcast studio! We need all of you to help and sustain STR's reach for all of Michigan and beyond.

Here are some projects for your consideration:

- \$1.6 million for a new Metro Detroit / SE Michigan station,
- \$15,000 part-time salary radio control person to improve air sound,
- \$10,000 to replace a furnace at the broadcast center with a 92% efficiency one,
- \$10,000 for a new network radio control room at our studio.

# Covenant Partners

**Strong Tower Radio Covenant Partner**, Bernard Boyk, testifies “Strong Tower Radio is such a blessing to me, it’s the only station I listen to. I send letters to my family and friends to encourage them to listen to Strong Tower Radio also.”

## ‘The Why’

- 1) Knowing you are supporting the broadcast in your area and across the state of Michigan and beyond
- 2) The blessing of hearing the STR programming locally yourself and while traveling across half of Michigan
- 3) Knowing you are cooperating and coordinating with the Holy Spirit
- 4) The satisfaction of supporting the spread of the gospel

For every \$10 investment made, you give us the ability to reach 100 people with the “Everlasting Gospel” for an entire year! Currently, about five million people reside within our broadcast footprint. Your gift ensures - **24 hours a day, 7 days a week airing throughout the year!** There is no better financial investment you can make at this time in earth’s history.
